Eric Hove Mar 19 2020:

Drop down on the right for different audiences; take them to the appropriate secondary page.

Comments - Landing Page with Video Playback Jumbotron

Eric Hove Mar 19 2020:

Short video without sound would play in the jumbotron upon load.

Comments - Landing Page Side Navbar

Eric Hove Mar 19 2020:

Carousel would contain photos/links to featured products. Menu would go to secondary pages geared toward respective audience. Could also make that menu float with the scroll if there aren't too many items in it.
